广州矩舟科技有限公司

Guangzhou Juzhou Technology Co., Ltd.

关于矩舟

JUZHOVO 是广州矩舟科技有限公司的品牌。我们计划通过跨境电商向海外销售产品，这项业务还在筹备中，暂不接受线上订单。

业务方向

电子与电气

电路板上有处理信号的元件，也有转换和控制电能的器件。家电是另一个方向，包括整机研发、整机销售和零配件销售。

机械与工业控制

机械部件负责支撑结构或传递运动，配电开关负责接通、分配或切断电力。工业控制装置则用于监测和调节设备运行。

计算机与软件

计算机和网络设备提供运行环境，应用软件负责具体任务。系统集成把原本分开的设备和程序连起来，使它们能够交换数据。

About JUZHOVO

JUZHOVO is the brand of Guangzhou Juzhou Technology Co., Ltd. We plan to sell products internationally through e-commerce. This business is still in preparation, and we are not taking online orders.

Business areas

Electronics & appliances

Some components process signals on a circuit board; others convert or control electrical power. The appliance category covers product development and sales of appliances and spare parts.

Machinery & controls

Mechanical parts support structures or transmit motion. Switchgear connects or isolates electrical circuits, while industrial controls monitor and regulate equipment.

Computing & software

Computers and networks provide the infrastructure; applications handle specific tasks. Systems integration connects separate devices and programs so they can exchange data.
